Please let me introduce myself, I am Trisha Vilmont a partner of Gride Technology and a full-time Enthusiastic operation Manager with 12 years of experience supervising staff in supervising settings.

I am obsessed with the hospitality field. In 2013, when I embarked on an entrepreneurial journey with my two friends, within a few years of launch, we'd grown profitable while building a brand may have looked effortless from the outside.

Proven history of achieving sales goals by monitoring employee performance and coaching staff on effective sales methods. skilled in solving complicated issues and making proactive operational changes. Forward-thinking Manager with 12 years of project management experience in manufacturing environments. Collaborative with a dedication to partnering with coworkers to promote an engaged, empowering work culture. Documented strengths in building and maintaining relationships with a diverse range of stakeholders in a dynamic, fast-paced setting.

Business Development, developed loyal and highly satisfied customer base through proactive management of team customer service strategies. Supported senior managers and department leaders by completing projects and problem resolution under tight budgets and schedule demands.

My specialties include quickly learning new skills and problem-solving.
